This pattern is not available for commercial resale. That means you may not copy and sell or digitally distribute **the pattern**. You may, however, sell **items you make with the pattern**. :-)

## Bear - regular orientation

Use this bear as an embroidery pattern and as a reference to see how the pieces go together.

## Bear - reversed and exploded

This version has been flipped and “exploded” so all the pieces are separated for you. Use it for appliqué with fusible adhesive.
