This mini knit sock is a quick, fun project... and the best part is that gauge doesn't matter! Just pick up a little bit of yarn, some needles to match, and get started!

This is a great intro to sock making... you'll do all the same stitches, but with no pressure for it to fit (or to do a second one!)

Pattern

the cuff

With yarn, CO 24 sts. Divide these sts between 3 dpns.

Rounds 1-3: *k1, p1. Repeat from * 11 times (24)

Rounds 4-13: k all sts (24)

the heel flap

Arrange stitches so that 12 stitches are on one needle. For the heel flap, you will only work these sts.

Rows 1-10: work in St st, beginning with a p row (12)

turn the heel

Row 11: p7, p2tog, turn

Row 12: k3, k2tog, turn

Row 13: p3, p2tog, turn.

Rows 14-18: Repeat rows 12-13 twice, then repeat row 12.

Round 21: * k1, ssk, k4, k2tog, k1. Repeat from * once (16)

Round 21: * k1, ssk, k2, k2tog, k1. Repeat from * once (12)

You now have 12 sts remaining. Weave the toe sts together using kitchener st. Weave in ends.

Yay! You've finished your sock!

If you'd like to use your sock as a keychain, either crochet a few chain sts, or knit a tiny i-cord, and attach to a keyring, as pictured at right.
